Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call. Acts 2:38-39

ASSEMBLIES
OF THE LORD
JESUS CHRIST

November 28, 2010

Welcome to Apostolic Church of Brunswick, where every need can be met, the weak become strengthened, the sick healed, the broken blessed and break every yoke and weight of sin by the power of Jesus! We pray you feel the sweet anointing of His presence today!

Why do geese fly in a V formation?

There are two reasons. First it conserves energy each bird flies slightly above the bird in front of him, which results in a reduction of wind resistance.

They take turns being in the front, falling back when they get tired. In this manner, the geese can fly for a long time before they must stop for rest.

The second reason is it is easier to keep track of every bird. It is easier to assist with coordination and communication with the group.

We can do more together than separate.

Singing and worshipping together is much more effective when we can watch out for each other.
